In these last months of the Conference Year, I believe it is the Lord's Will that we become true disciples (students) of God's Word, so that we may share a living message with a dying world. Gathering as a community of Bible learners means that we will come with a variety of biblical experiences. Some will have doubts, questions, and understandings that differ from others. However, if we agree to come with a spirit of unity and openness to listen to what may agree or conflict with our own knowledge, we may find that Jesus will be pleased to breathe on the "Bethel Movement" and transform us exponentially! Let's allow God's Word to R.E.S.E.T.¹ all of us to the position that God's Will wants for us in this season and the days to come. Amen and amen!
